----------------------	----------------------	----------------------	----------------------	----------------------	----------------------	----------------------	----------------------

Gas reading

## Important

- When renewing a tenancy agreement with the same tenant, there is no requirement to complete a new Entry condition report.
- The original Entry condition report will remain valid unless the parties to the tenancy agree to prepare a new Entry condition report when the agreement is renewed.
- If the owner/manager is renting a moveable dwelling to the tenant, it must meet minimum housing standards when they move in and throughout the tenancy agreement. Learn more about minimum housing standards on the RTA website.

The Entry (and Exit) reports provide evidence of the condition of the premises at the beginning and ending of the tenancy. Take time to fill these forms in carefully. These documents may be referred to as evidence if there is a dispute over the bond refund at the end of the tenancy.

## Owner/manager

1. Inspect the dwelling.
2. Mark each item on the list *clean, working, undamaged* (where applicable).
3. Items not listed should be noted in the *additional comments/information* section.
4. Give a signed copy of the report to the tenant. Keep a copy for your own records.
5. Ask the tenant to add their comments to the report, initial each page and return it to you within 7 days.
6. If the tenant disagrees about the condition of the dwelling, encourage them to discuss it with you. Comments can be recorded in the *additional comments/information* section (Page 4) or by attaching a separate page.  
Supporting documentation has been attached  Yes  No
7. Give a copy of the final report back to the tenant within 14 days of receiving it.
8. You must keep a copy of the report for at least one year after the last tenancy agreement to which this condition report relates to ends.

## Tenant

1. Inspect the dwelling.
2. Comment on any item where you disagree with the owner/manager, or if you believe the report does not reflect the true condition of the dwelling.
3. Talk to the owner/manager if you disagree about the condition of the dwelling.
4. Initial each page of the report and send it to the owner/manager within 7 days.
5. The owner/manager must send you a copy of the final report. You may also want to make a copy for your own records.

If the condition report is not given to the tenant/s within 7 days of occupation, the tenant/s should obtain, complete and sign their own form and submit to the lessor/agent.

**Entry condition reports must be completed in accordance with the Act. Penalties apply.**

**Do not send to the RTA—give this form to the tenant/s, keep a copy for your records.**
