Important information

The RTA is not liable for any losses that occur if you provide incorrect information.

The RTA is collecting your personal information for the purpose of carrying out the RTA's functions under the *Residential Tenancies and Rooming Accommodation Act 2008* and may provide your information to QCAT and other bodies. For more information see [RTA website](#).

Anyone being removed from the bond, or reducing their bond contribution amount, must sign this form. All parties who are currently on the bond, or who are being added to the bond, should speak to each other before a Change of bond contributors request is submitted.

Any changes to the tenants at the property should be discussed with the property manager/owner before submitting a Change of bond contributors request.

Successfully submitting a Change of bond contributors request does not change the tenants listed on the tenancy agreement. It only changes who is listed on the bond and/or their bond contribution amounts held by the RTA. Any changes to the tenancy agreement (also known as the lease), require approval from the property manager/owner.

Bond loans

If you currently have a bond loan, you need to contact the [Department of Communities, Housing and Digital Economy](#) (DCHDE) to request approval for the removal of a tenant from your bond.

Once DCHDE confirms their approval this form can be completed and sent to the RTA. No new tenant/s can be added to a bond with an outstanding loan balance.
